REFRAIN

Poco meno mosso, con espressione

When sleep - y swal - lows to the nest are fly - - ing,
When sun - set em - bers in the west are dy - - ing,
Greet me a - gain with love's old re - frain,

Down at the end of a winding lane.
When purple shadows hover o'er the meadows,
And only the starlight gleams,
When ev'ry heart is homing,
Then, in the fragrant gloaming,
Meet me at the gate-way of dreams.
